Company and Industry

Axiomtek at a Glance

To grow with our customers by providing best in class products and services

Established
/Headquarters

May 1990
/Taipei, Taiwan

Founder &
Chairman

YT Yang

President

William Wu
Chiven Fan

Revenue
/Capital

\$214M
/\$35M

Facility Space
/Employees

21,245m² (HQ)
/950+

To be one of the
most **trusted** brands
of AI-enabled
industrial solutions

from IoT Edge to
Intelligent Edge

Edge Computing | Internet of Things | Artificial Intelligence
Communication | Connectivity | Cybersecurity | Management

Design-in & Integration Services Anytime

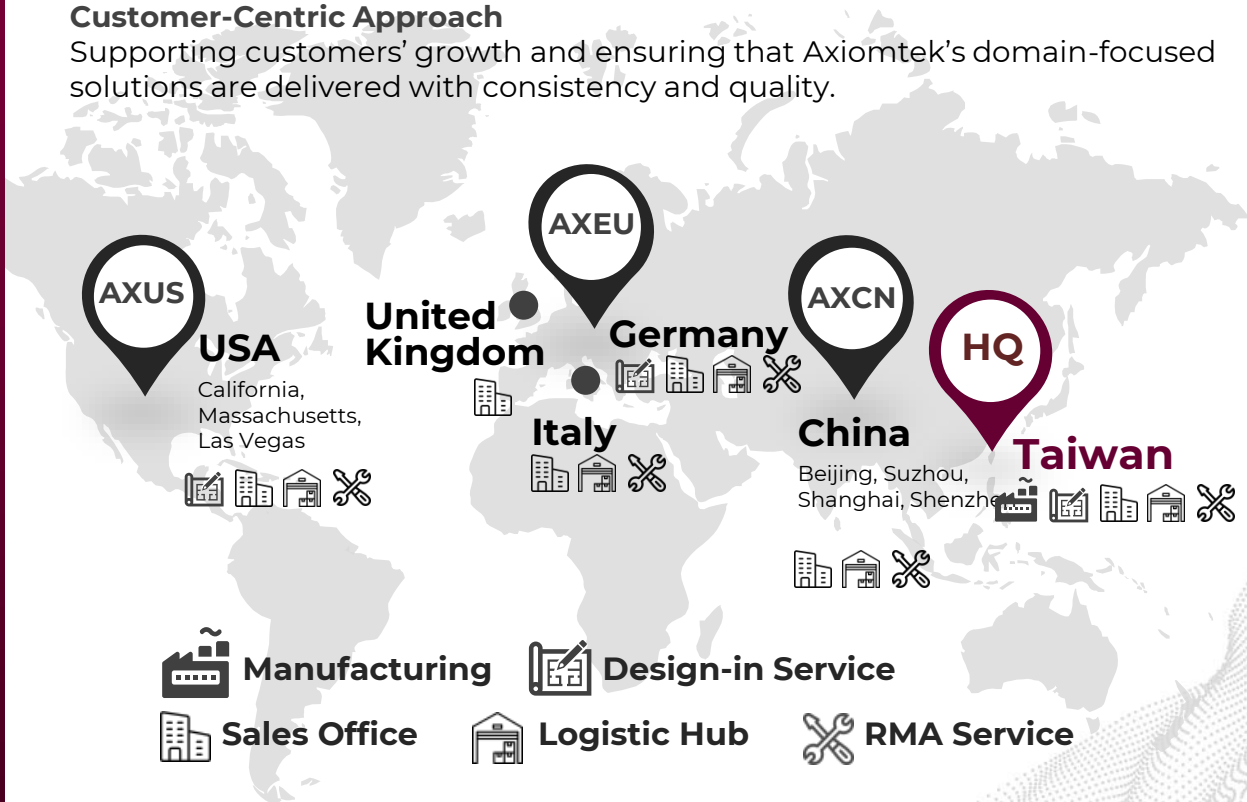

Global Support and Local Services Everywhere

Global Reach, Local Expertise

Axiomtek's commitment to being close to customers and partners.

Customer-Centric Approach

Supporting customers' growth and ensuring that Axiomtek's domain-focused solutions are delivered with consistency and quality.

Domain-focused Industries and Applications

AUTOMATION

Semiconductors | Factory | Logistics

- Deep integration of edge computing and AIoT
- Artificial Intelligence and Robotics Innovation
- Industrial application platform and ecosystem
- Digital twins and edge computing accelerate the integration of virtual and real factories into reality

INFRASTRUCTURE

Cybersecurity | Smart Energy | Transport

- Deep integration of operational technology (OT) and information technology (IT)
- From data collection to real-time decision-making and autonomous control
- 5G/6G communication technology accelerates empowerment
- Data security and privacy are important

COMMERCIAL

Retail | Hospitality | Medical

- Software and hardware integration
- The rise of service-oriented edge operating business models
- Joint innovation and ecosystem cooperation
- More attention to sustainability and ESG

A robotic arm in a factory setting, overlaid with a digital interface showing data and graphs, representing smart manufacturing.

**Smart
Manufacturing**

A close-up of solar panels in the foreground, with a wind turbine visible in the background against a blue sky, representing energy and cybersecurity.

**Energy &
Cybersecurity**

An aerial view of a modern city with a complex highway interchange, surrounded by greenery and urban buildings, representing transportation and smart city.

**Transportation
& Smart City**

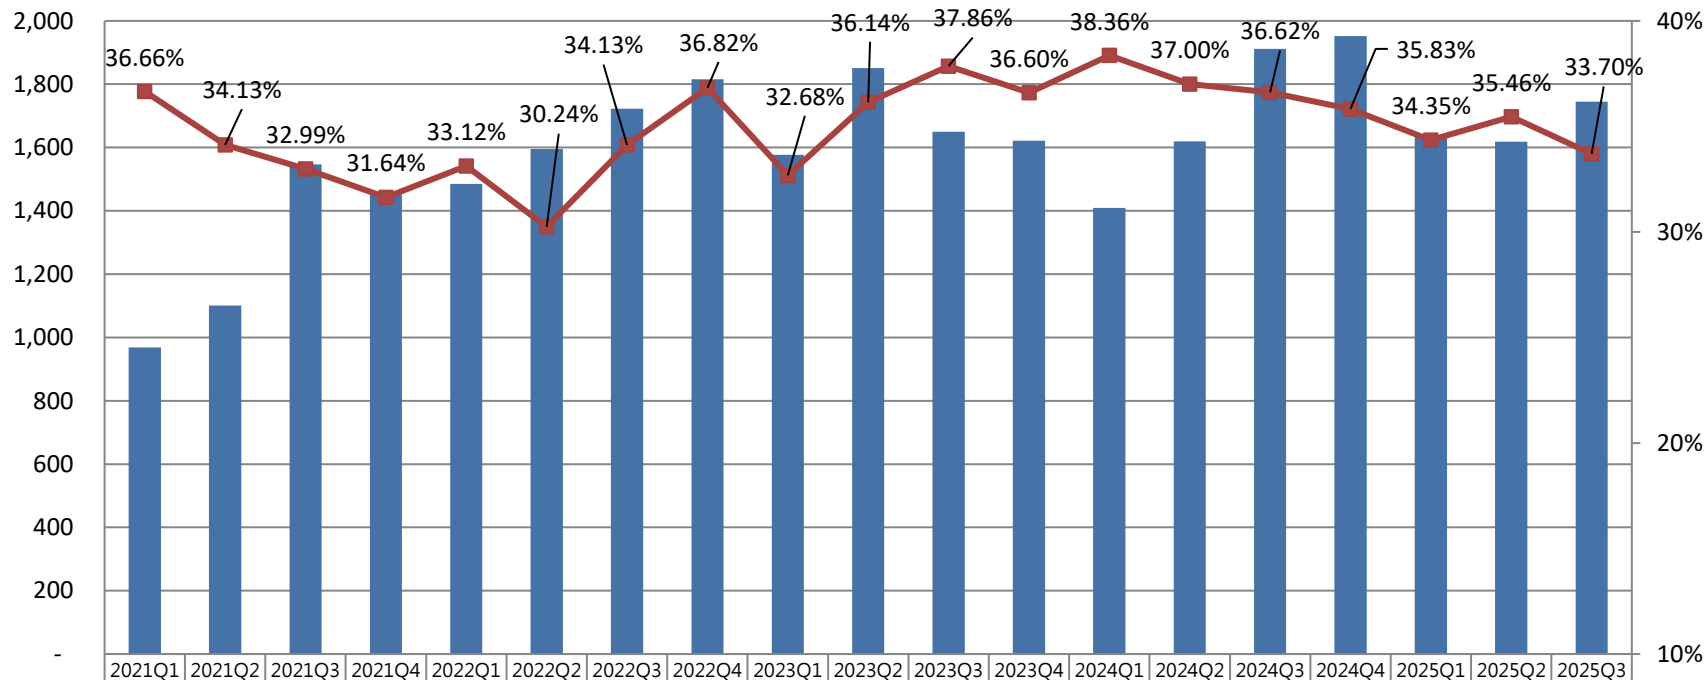

A blurred interior view of a medical or hospitality setting, with a blue door and a white "OPEN" sign hanging on it, representing medical and hospitality.

**Medical &
Hospitality**

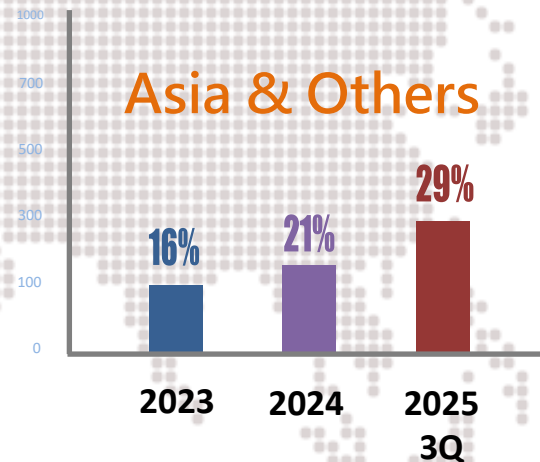

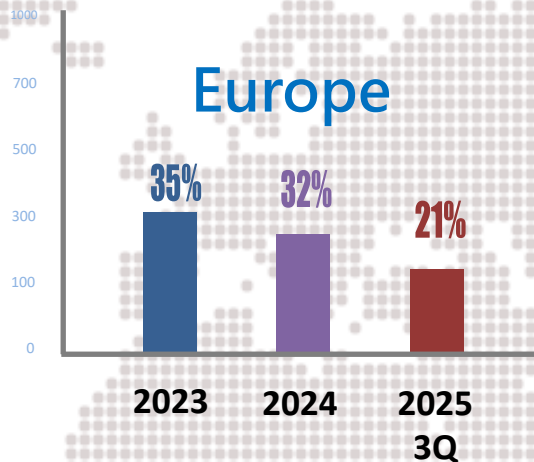

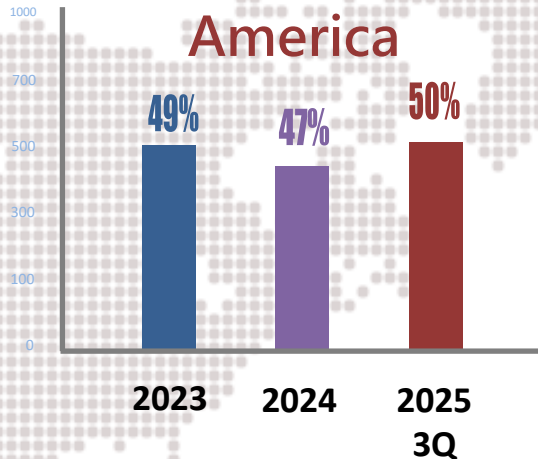

Financial Result
